**REQUEST FOR CERTIFICATE OF CORRECTION**  
**PURSUANT TO 37 C.F.R. § 1.323**

Dear Sir:

This is a request for issuance of the accompanying Certificate of Correction pursuant to 35 U.S.C. § 255 and 37 C.F.R. § 1.323. The Assignee of Record, **TT Visual Technology Group, LLC**, seeks to correct mistakes of clerical, typographical nature and of minor character in the above-identified Patent. The corrections are as follows:

Regarding **Claim 1**, please delete the extraneous period after the word “user” at the end of the claim element that currently reads “and providing said data sets from said image server for viewing by a user[.]”

Regarding **Claim 15**, please delete the extraneous period after the word “camera” at the end of the claim element that currently reads “said camera functions comprise one or more selected from the group: frequency of image capture, focus, contrast, or positioning for moveable cameras[.]”

The Assignee respectfully submits that the requested corrections do not constitute new matter, nor do they require substantive examination of the file. The Assignee further respectfully submits that the above-mentioned error was the mistake of the Assignee and, thus, the Assignee believes that a fee of \$100.00 is due. The Assignee authorizes the Commissioner to deduct any fee from the Deposit Account No. 13-2490 pursuant to 37 C.F.R. §§ 1.20(a) and 1.323.

Enclosed is a completed Certificate of Correction for U.S. Patent No. 7,124,427 B1 issued October 17, 2006. Consideration of this Request and issuance of the Certificate of Correction are respectfully requested.

Respectfully submitted,  
McDonnell Boehnen Hulbert & Berghoff LLP

Date: March 20, 2009
